

TCH Vice President Kringen Makes Tempe Chamber of Commerce History

Our own Vickie Kringen has made Tempe Chamber history by becoming the first Chair-Elect to come from a non-profit organization. Kringen will serve as Chairperson for the Chamber for the June, 2009 thru June, 2010.

A 13 ½ year veteran of TCH, Vicki is excited about the possibilities being Chair of the Chamber will bring to TCH. “My two passions are serving people with disabilities and working with small businesses,” Kringen said. “This Chair-ship will allow me to bring to the attention of the Tempe business community that non-profit organizations are economic engines in their neighborhoods and can work in partnership with businesses to produce positive outcomes for each.”

Kringen has worked with the Chamber for most of her years with TCH. Serving on several committees, Vicki admitted that her favorite is the Governmental Affairs Committee. As Chair-Elect she will also serve on several other committees including the Executive Committee, the East Valley Chamber of Commerce Alliance, and the Business Resources Advantage.

This year as Chair-Elect Vicki will immerse herself in Tempe Chamber activities and committees. Additionally, she will get to know as many members as possible so she can get a feel for what the members' needs and goals are and how the Chamber can help their business.

From all the board and staff of TCH, ***Congratulations Vicki!!***
