

Home and Community Based Services

CREATING INDEPENDENCE AND PROMOTING INTEGRITY

OUR COMMITMENT

At TCH, we are committed to helping individuals with disabilities achieve their goals by utilizing all of our resources, whether it be job training, early intervention, or after school respite programs to improve social interaction and daily living skills.

For many, the goal of independence is extremely important. Many individuals desire to be productive members of their homes and communities, and TCH can help! We provide a full range of services to assist individuals with disabilities achieve self-sufficiency, integration, and individuality at their maximum potential.

EMPOWERING PEOPLE WITH DISABILITIES SINCE 1967

TE TESTIMONIALS

Here are some comments and testimonials:

"I feel like I am my own person now. HCBS has taught me how to achieve the independence I have always wanted."

—Delanie P. recipient of Transitional HCBS Services

"I enjoy working for TCH, not only because of the pay and benefits, but because the staff (my supervisor and support staff) are wonderful, caring people to work with."

—Martha M., HCBS employee and Parent

"We, as a family, switched over to TCH 2 years ago and have never looked back. We have been using respite and habilitation services for over 15 years, and there is not an agency that provides the kind of service TCH does. They are wonderful!"

—Karen E., TCH parent

"HCBS has been a great help for my son in helping him achieve many creative goals."

—Colleen C., TCH Parent

UN UNIQUE NEEDS

Since the needs of each individual and family are unique, TCH offers a wide range of services, which include:

- **Attendant Care** - personal care, housekeeping, cooking, and medication monitoring
- **Habilitation Services** - support for self-help and cultivation of independent living
- **Respite Care** - Personal care for loved ones to help with the twenty-four hour responsibility of caring for a loved one with a disability. This can be in the home or at TCH during our after hours respite care program.
- **Independent Living Support** - transitional care and training for persons moving out of the family home or group home into independent living environments.

OS OUR STAFF

TCH takes great care in their selection of attendants. Each applicant is pre-screened, interviewed and their backgrounds are checked thoroughly. The result is a variety of carefully selected individuals to find the one that is right for you.

Our goal is to create an environment that is positive for everyone! You will have the opportunity to select from our excellent candidates an attendant that is right for you.

Each TCH attendant goes through extensive training before being placed with a family. It's important that each employee understands the TCH mission and values in order to perform to our standards of service. Training includes:

- TCH Orientation
- CPR and First Aid
- Article 9: including client rights, abuse and neglect, and ISP training
- Additional classes as needed
