

For Immediate Release

Contact: Dawn Hocking 480-730-4221

WHO: TCH (local nonprofit that provides services for people with disabilities) and Tempe Leadership Class XXXIII

WHAT: Ribbon Cutting for the Tempe Leadership Sensory Garden. Tempe Leadership Class XXXIII project has created a sensory garden for the clients at TCH. The class has raised funds, coordinated construction, and provided hands on work to design, create, and complete the sensory garden. A sensory garden is a space designed to help people enjoy their environment with all of their senses. Members of TCH will be able to grow plants with interesting smells, colors and tastes; play musical instruments; feel different textures in plants, hardscape and water features; and create and admire art installations throughout the space. TCH members and staff will be able to use the space to decompress individually, learn together, and host activities with the community.

WHEN: Friday June 1, 2018 at 9 am.

WHERE: TCH – 215 West Lodge Drive Tempe AZ 85283
