## STUDENT WITH A DISABILITY VERIFICATION

**Definition:** A 'student with a disability' means an individual with a disability in a secondary, postsecondary, or other recognized education program who is not younger than 14 and not older than 22 years of age; is eligible for, and receiving special education or related services under Part B of IDEA; or who is a student with a disability under section 504. This includes secondary students who are homeschooled, and students in non-traditional secondary education programs such as special education programs within the juvenile justice system, GED programs, and occupational training programs.
