Pre-Employment Transition Services (Pre-ETS)

Pre-ETS is a series of workshops offered by The Centers for Habilitation (TCH) to provide instruction and support to individuals with disabilities between 14 and 22 years old who are preparing for life after high school.

Pre-ETS workshops are offered in either a group setting or one-on-one to any individual with an IEP, 504 plan, an ISP or an otherwise documented disability. Request forms can be obtained by calling TCH or emailing your request and contact information to our email address below.

For more information or to submit a request form, contact us at:

What are Pre-ETS Services?

Pre-ETS Services are provided as training and support for qualified students who will benefit from extra support in preparing for job readiness, exploration and self-advocacy.

Explore Experience Engage

This program was funded through a contract with the Arizona Department of Economic Security. Points of view are those of the author and do not necessarily represent the official position or policies of the Department.

What should I expect?

These interactive workshops will give opportunities for discussion, learning and application of skills you will need in the future, from filling out college forms to hands-on learning of work skills. Prior knowledge is not necessary, just a willingness to learn.

Schools, training programs, and individuals work with Pre-ETS staff using the student's unique goals for post-secondary employment, education and independent living.

What will I do with this knowledge?

Students will apply this knowledge to future work and educational opportunities. Students may wish to pursue more training, at which point a referral to Vocational Rehabilitation should be submitted.

How can I register?

Service requests are available for schools, training centers and individuals by submitting an email request to:

TCHPre-ETS@tch-az.com

Take one or more workshops. You do not need to attend every workshop, but you must be signed up in advance to attend.
