Employment Services Spotlight

Jimmie's Story

Jimmie began his employment journey in 2019, joining our small team at Geodis, where he helped pack candles and lotion. His responsibilities included assembling boxes and making sure the correct products were placed accurately. A quiet and reserved individual, Jimmie is known for his dependability, strong work ethic, and willingness to take on new tasks.

When operations at Geodis slow down, Jimmie transitions to our landscaping crew, where he approaches the work with enthusiasm. In this role, he's learned to operate various landscaping tools and even participated in a shopping trip to purchase new equipment—gaining experience in comparing prices and selecting the best tools for the job.

Jimmie also works at the TCH snack shack, where he shines in customer service, continues to build his money-handling skills, and assists with restocking supplies. His eagerness to learn has helped him develop a diverse set of job skills that will serve him well in any future role.
