Employment Services Spotlight

EDC offers a unique group supported employment opportunity at our main campus, known to many TCH staff and members as the Snack Shack. One of its most motivated employees, Kyle, works twice each week at the Snack Shack. His duties include keeping inventory, grocery shopping and restocking, filling customers' orders and making change. Through the support of his job coach, Kyle is gaining confidence as well as a business sense. Ask him why prices are sometimes marked down or raised, and he replies, "The goal is to stay in business!" Thanks to all who continue to patronize the Snack Shack in its temporary location until it is moved when the remodel is complete!

TCH Happenings

Dawn Hocking, our Director of Development, served as the emcee for this year's Red, White, and Blue Awards hosted by the Tempe Chamber of Commerce. We extend our heartfelt thanks to the men and women in uniform for their dedication and service to our country.

Congratulations to the Employee of the Month for the month of February, Joaquim Dentz! Joaquim is an integral part of the IT team. He has been managing several priorities simultaneously with the building remodel and has been crucial in clearing out offices in preparation for phase 3, as well as helping the team get settled into their new (and some temporary) offices. His positive attitude and calm demeanor make a big difference, and he's always willing to do whatever it takes to ensure things get done. Thank you, Joaquim, for being such a dedicated team player — we truly appreciate all of your efforts to keep us connected!

Community Engagement & Activities

New skill: unlocked! Thank you, Tina, from HeARTsy for guiding us step-by-step through the process of creating our very own tie-dye scarves.

From our annual March - March around the block! Happy St. Patrick's Day from all of us at TCH. We are so lucky to have such amazing clients, staff, and donors like you!

A day at the ballet! Thank you to our friends over at Ballet Arizona for hosting their fourth annual Sensory-Friendly performance hour. We had a great time in our class demonstration, touring the facility, and even getting a sneak peek of one of the company's upcoming performances.
