

Every two years, The MJ Companies choose three charitable organizations—one in Indianapolis, one in Denver, and one in Phoenix—where they focus much of their time and resources. To best serve their communities, they take a more focused approach by concentrating on three local charities of choice where they get actively involved in the organization itself. We're excited to embark on this partnership!

## Something New is Coming!

TCH is renovating our facility after over 30 years! Construction will begin in June 2024 and is scheduled to finish in early 2025. We had a Wall Breaking Ceremony complete with golden hammers. Stay tuned for more updates as we get closer to our final reveal.

## Community Highlight

### Tempe Police Mounted Unit and Tempe Fire and Rescue

The [Tempe Police Mounted Unit](#) was established in 1974, originally to patrol the 128 acre Kiwanis Park, which was then under development in south Tempe. As Tempe grew, the Mounted Unit began to focus much of its time in the Downtown/Mill Ave area. The role of the Mounted Unit has grown over to include crowd management, high visibility enforcement, person searches, as well as park, neighborhood, business and entertainment district patrol, public relations such as working with school children, and training. Our supported individuals couldn't get enough of Officers CW and JR!

The [Tempe Fire Medical Rescue Department](#) responds to various incidents, such as fires, automobile accidents, and medical emergencies. They focus

on promoting emergency preparedness, fire prevention, and various life safety programs. Additionally, they visited our supported individuals and gave them a tour of their firetruck!
