Employment Services Spotlight

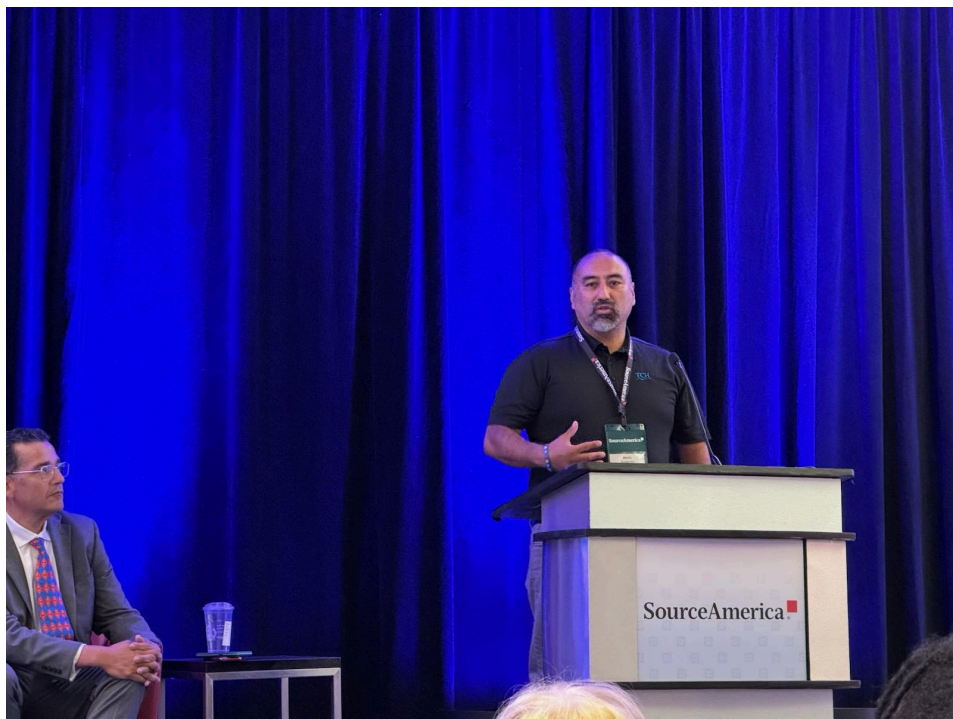

Through TCH's Employment Services, supported individuals provide essential mail sorting and processing for the **Arizona Secretary of State's** office, handling tasks previously managed by a full-time employee. This work supports the Business Services division, which oversees notary public commissions, document authentication, and trademark registrations. The efficiency of TCH employees has led to praise from Operations Director of Business Services, Maryn Herberg, who is exploring additional tasks from other divisions. One such collaboration involves assembling literacy outreach materials for the Arizona State Library's Development Division, including the Ring of Rhymes, which promotes STEM learning. TCH values this partnership and aims to ensure that supported employees find meaningful work while organizations benefit from their contributions.

TCH Happenings

Congratulations to the July Employee of the Month, **Dina Sebastian**! Dina puts in great effort to make each day meaningful for those we support, and she also motivates her team to help our supported individuals become more independent.

Our Yuma Project Manager, **Mario Gutierrez**, headed over to Washington, D.C. this month to represent TCH at the SourceAmerica Grassroots event. SourceAmerica provided him with training in public speaking and advocacy for individuals with disabilities, as well as guidance on networking with members of Congress. Way to go, Mario!

TCH had the pleasure of hosting Tempe Leadership Class XL for a day and giving them a tour of our facility and sharing what we are all about. We are so fortunate to already have two Tempe Leadership projects right here at our headquarters. Happy 40th Anniversary to Tempe Leadership and thank you for all that you do for the community!

Community Engagement & Activities

In honor of September 11th, we dropped off donuts and thank you cards for our local police and fire departments. Thank you to all the first responders for everything you do to keep our community safe!

This month we celebrated National Indoor Plant Week by highlighting one of our awesome members and avid green thumb, Victor. Each and every morning he makes his rounds to ensure that our plant friends are healthy and growing. Thank you, Victor!

We Love Our Volunteers!

A heartfelt thank you to the **Arizona Women's Lawyer Association** and **Wells Fargo** for being our volunteer heroes this month. We had a fantastic time, from painting self-portraits to playing cornhole!
